Tamil
English

PROFILE

- Third Year B.TECH Computer Science & Business System Student (2023-2027) with strong problem-solving abilities.
- Experienced in building responsive web applications using the MERN stack.
- Familiar with UI frameworks, REST APIs, and working with databases.
- Interested in creating user-friendly solutions that help organizations grow.
- Always eager to learn new technologies and work on meaningful projects.

PROJECTS

STUDENTS DETAIL MANAGEMENT SYSTEM | MINI PROJECT

Aug 2025 -- Oct 2025

- Developed a full-stack Student Details Management System using **MongoDB, Express, React, and Node.js (MERN stack)**.
- Implemented **JWT authentication** to secure user login and access.
- Used **password hashing** to ensure secure storage of user credentials.
- Integrated a **prebuilt UI** for fast and responsive front-end development.
- Enabled **CRUD operations** for student records, ensuring efficient data management.

Campus Thoughts | MINI PROJECT

Apr 2025 -- Jun 2025

- Built a full-stack student social platform using **MongoDB, Express, React, and Node.js (MERN stack)**.
- Designed a **responsive and modern UI** using **DaisyUI** for seamless user experience.
- Implemented **RESTful APIs** to handle all client-server interactions efficiently.
- Secured user accounts with **JWT authentication** and **password hashing**.
- Enabled features like **posting, commenting, and viewing thoughts**, fostering campus community engagement.

ACHIEVEMENTS

SPORTS

- Won the CM Trophy (2024) representing a college cricket team.
- Won the Alumni Trophy (2024) representing a college cricket team.
- Secured Second Prize in Zonal level Athletics (2017) during schooling.
- Won Inter-College Cricket Matches (2025) as part of the college team.
